Dear Families and Stakeholders:

With the numbers where they are throughout Massachusetts, we will be suspending all visits for the next 7 days. This is not a decision we make lightly, but rather out of an abundance of caution to ensure the safety and health of your loved ones, our staff, and you.

We will continue to monitor our internal numbers and the data collected from our staff surveillance testing. We are seeing some slight increases in our data and want to be as cautious as possible. We will have updates for you next week.

Thank you for your understanding.

John Randall
President and Chief Executive Officer
