Dear Parents, Guardians and Stakeholders:

Although we do not have a whole lot of new information to report on, I still wanted to take the time to reach out to all of you. Leadership continues to meet on a daily basis to ensure procedures are in place for continuity of operations.

As a reminder, we are now asking families who are looking to order personal items online for their loved ones to have them delivered directly to the residence with your loved one's name on the package. We ask that you follow up with the PC to ensure that the item has been received.

For items you want to bring from your home, please arrange a drop-off time with Betsy Roche at BRoche@amegoinc.org. No one is allowed in the building so please leave your items and/or donations in the vestibule in Attleboro or in the back of the building in Northboro. We will have someone checking these areas regularly, but if we know when you will be coming by it will ensure that we collect the items right away. We are still requesting cleaning supplies, paper products, medical supplies and cash donations.

*****We are now also asking for rubber bands, hair elastics, or any other elastic material that can be used in making home-made masks.*****

You can drop off items to either Attleboro or Northboro from 8am-4pm. Thank you all for your continued support in helping us during this time.

We will be hosting our weekly ZOOM meeting on Wednesday at 5pm. The link is listed below.
