Dear Parents, Guardians and Stakeholders:

Our response team met today to put together final preparations for the weekend. We are happy to report our individuals continue to be doing well thanks to the care of our direct support professionals. They remain the true heroes. We have ensured our staff have the necessary PPE they need, and we have been working on maintaining our stock. We will continue to work behind the scenes so our staff have the equipment and supplies they need to keep your loved ones safe.

We have seen an increase in the "Staff Shout Outs" this week and it has really meant a lot to our direct support professionals. The praise and gratitude our families and stakeholders show them keeps them going during this difficult time. We invite you to continue to send shout outs by going to our website at <https://www.amegoinc.org/staff-shout-outs/> to submit a message of support.

In the weeks to come we will begin planning for the next phase of this pandemic and what our day programming will look like. This will take time and we do not have any established dates. We will continue to follow the guidance of the Governor in terms of the state opening back up.

As a reminder we will host another ZOOM meeting Wednesday, May 6th at 5pm as we do every Wednesday evening. We encourage you to send any questions that may come up over the weekend to Contact@amegoinc.org. The information for logging into the meeting is below.

I hope you have a good weekend and look forward to connecting again next week. Thank you,

President and Chief Executive Officer
