Dear Families and Stakeholders:

Our school remains closed as we continue to test our staff and the students in our children's residences. We have been working closely with families along with the Franklin Board of Health as well as the Regional Department of Public Health nurses in assessing our current status and our plans for reopening. The safety, care and well-being of our students and staff are our primary concern during this time.

We continue to perform surveillance testing every two weeks on all our staff. On Wednesday's call we will further discuss this and get updates from Jen Cullinan, our Pandemic Coordinator.

As usual, if you have any questions or concerns please reach out by emailing Contact@AmegoInc.org.

We look forward to connecting with you tomorrow 5:00pm.

Thank you,

John Randall
President and Chief Executive Officer
